Youssif meets Spidey and SpongeBob, Still Looks Unhappy.

Not Happy with Spidey
Not Happy with SpongeBob
Youssif did not even crack a smile while meeting his childhood heroes, it was reported Saturday.

"I know it's not the real Spider-Man," stated Youssif. "This is the single worst day of my life."

Youssif continued, "This is the most horrific single event I have ever been put through. Meeting this fake Spiderman and SpongeBob will be the singular memory that haunts me when I close my eyes at night. Every time I look in the mirror, I will be reminded about this horrifying event that forever shaped my existence."

I wish Princess Diana would die already

Get over it assholes. She's dead, and here's the pictures.

I am so sick of benefit concerts, memorials, and auto-erotic asphyxiation jerk off sessions about Princess Diana. Sure people liked her; but for Christ's sake, I'm more upset about my civil liberties dying.

People liken Princess Diana to some kind of Mother-Mary-baked-into-a-grilled-cheese-sandwich type of bullshit.

She was a mother, a princess, and a wife.

And now she's dead.

She died in 20 minutes. We have been throwing circle jerk memorials for 5,259,487 minutes now.

Hurry up and die.
